MEMORANDUM FOR: Director of Personnel

25X1A

SUBJECT : [REDACTED]

25X1A

1. [REDACTED] Management of Specially Qualified Scientific Personnel, describes the policy, pay rates, establishment of ceilings et al, for SPS, and includes special sections on the responsibilities in the area of the Deputy Directors, Director of Personnel and the Comptroller (being changed from PPB). The 'j' paragraph cites the responsibilities of the Scientific and Technical Personnel Advisory Committee for advising the Director of Personnel relative to qualifications of candidates and Comptroller relative to budgetary provisions viz SPS ceilings.

2. It is our understanding that this Committee no longer exists and we propose that this paragraph be deleted from the Regulation. The basic responsibilities concerned belong to the Director of Personnel or to the Comptroller and deletion of the 'advisory' group poses no problems in procedures.
